How to handle a woman

There?s a way, said a wise old man

A way known by every woman

Since the whole rigmarole began

Do I flatter her, I begged him answer?

Do I threaten or cajole or plea?

Do I brood or play the gay romancer?

Said he, smiling, "No, indeed"

"How to handle a woman

Mark me well, I will tell you sir

The way to handle a woman

Is to love her, simply love her

Merely love her, love her, love her"
