Perry, it's such a beautiful night  
Let's take a ride, nah  
Well, how about a walk through the park? No  
Would you like a soda? Nah  
Well, what would you like to do?

I wanna go home with you, oh  
I wanna go home with you

I wanna meet the family  
I'm sure that they'll approve of me  
I wanna go home with you, you do?  
And nobody else will do

Kissing goodnight at your front door  
Makes me love you more and more  
I wanna go home with you

Oh, oh, Perry  
Here come my two sisters  
Hi Perry, hi Perry  
Hi Jay, hi Marge  
What are you doing here?  
We're just walking

Well, why don't you just walk along?  
Go get yourself a soda, nah  
Why don't you go to a movie? Nah  
Well, what do you wanna do?

We wanna go home with you, ah da dee  
We wanna go home with you  
What, the three of ya?

We wanna meet your family  
We know your pa and ma will agree  
We wanna go home with you  
And nobody else will do

And when we get your front door  
We're gonna love you more and more  
We wanna go home

We wanna go home  
Why? He's my date, I saw him first  
Now wait a minute, girls  
Don't fight, girls

Just a moment, listen to me  
Girls, just a moment  
Just a moment  
Perry, you stay out of this

Oh, I lost my head  
I guess, I'll go home alone  
I'm gonna go home alone
