If I'm lucky, you will  
Tell me that you care  
That we'll  
Never be apart

If I'm lucky  
This will be no light affair  
It's forever  
From the start

If I'm lucky, there'll be  
Moonbeams  
All around, shining  
Bright as day

You will hold my hand  
And you'll understand  
All I cannot seem to say

If I am lucky, there will be  
A time an' place  
You will kiss me  
We'll embrace

In that moment  
Every wishful dream  
I ever knew  
Will come true

If I'm lucky  
I will go through  
The years with you

If I am lucky, there will be  
A time an' place  
You will kiss me  
We'll embrace

In that moment  
Every wishful dream  
I ever knew  
Will come true

If I'm lucky  
I will go through  
The years with you
