"If We Can't Be The Same Old Sweethearts"

We'll just be the same old friends
If we can't be the same old sweethearts
Then we'll just be the same old friends
For I want someone like you just to tell my troubles to
My happiness on you, it all depends

For I've known you too long to forget you
And my old dream of love never ends
Though I know you can't be mine
We will meet from time to time
And we'll just be the same old friends

For I've known you too long to forget you
And my old dream of love never ends
Though I know you can't be mine
We will meet from time to time
And we'll just be the same old friends
