If you were the only girl in the world
And I were the only boy

Nothing else would matter in the world today
We could go on loving in the same old way
A garden of Eden, just made for two
With nothing to mar our joy

I would say such wonderful things to you
There would be such wonderful things to do
If you were the only girl in the world
And I were the only boy

A garden of Eden just made for two
With nothing to mar our joy

I would say such wonderful things to you
There would be such wonderful things to do
If you were the only girl in the world
And I were the only boy
