I'll be with you in everything I do
in drifting clouds, in passing crowds, there's you
I see your eyes, in blue and starry skies
your laughter sings, the memory clings a new

My darling, you're so very much a part of me
I close my eyes and feel you in the heart of me,
honestly
There is no night can hide you from my sight
in dreams, you see, I'll always be, with you!

< instrumental break >

My darling, you're so very much a part of me
I close my eyes and seed you in the heart of me,
honestly
There is no night can hide you from my sight
in dreams, you see, I'll always be, with you!
