It's impossible, tell the sun to leave the sky, it's just  
impossible  
It's impossible, ask a baby not to cry, it's just  
impossible  
Can I hold you closer to me and not feel you goin'  
through me  
But the second that I never think of you, oh how  
impossible

Can the ocean keep from rushin' to the shore, it's just  
impossible  
If I had you, could I ever want for more, it's just  
impossible  
And tomorrow, shouldya ask me for the world,  
somehow I'd get it  
I would sell my very soul and not regret it  
For to live without your love is just impossible

Repeat second verse

Impossible, immmmmm-impossible
