"It Had To Be You"

It had to be you, it had to be you
I wandered around and finally found
Somebody who could make me be true
Could make me be blue and even be glad
Just to be sad, thinkin' of you

Some others I've seen might never be mean
Might never be cross or try to be boss
But they wouldn't do for nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you, it had to be you!

Some others I've seen might never be mean
Might never be cross or try to be boss
But they wouldn't do nobody else gave me a thrill
With all your faults, I love you still
It had to be you, wonderful you, it had to be you

It just had to be you
