It happened in Monterey, a long time ago
I met her in Monterey in Old Mexico
Stars an' steel guitars and luscious lips as red as wine
Broke somebody's heart and I'm afraid that it was mine

It happened in Monterey, without thinkin' twice
I left her and threw away the key to Paradise
My indiscreet heart longs for a sweetheart
That I left in Old Monterey

It happened in Monterey, a long time ago
He met her in Monterey in Old Mexico

Broke somebody's heart and I'm afraid that it was mine

It happened in Monterey, without thinking twice
I left her and threw away the key to Paradise
My indiscreet heart longs for a sweetheart
That I left in Old Monterey
