It's beginning to look a lot like Christmas  
Everywhere you go  
Take a look in the five and ten glistening once again  
With candy canes and silver lanes aglow

It's beginning to look a lot like Christmas  
Toys in every store  
But the prettiest sight to see is the holly  
That will be on your own front door

A pair of Hop-a-long boots and a pistol that shoots  
Are the wish of Barney and Ben  
Dolls that will talk and will go for a walk  
Is the hope of Janice and Jen  
And mom and dad can hardly wait  
For school to start again

It's beginning to look a lot like Christmas  
Everywhere you go  
There's a tree in the grand hotel, one in the park as  
well  
The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas  
Soon the bells will start  
And the thing that will make them ring  
Is the carol that you sing right within your heart
