It's impossible
Tell the sun to leave the sky
It is just impossible

It's impossible
Ask a baby not to cry
It's just impossible

Can I hold you closer to me
And not feel you goin' through me?
Split the second
That I never think of you
Oh, how impossible!

Can the ocean
Keep from rushin' to the shore?
It's just impossible

If I had you
Could I ever want for more?
It's just impossible

And tomorrow
Shouldya ask me for the world
Somehow I'd get it
I would sell my very soul
And not regret it
For to live without your love
It's just impossible

Can the ocean
Keep from rushin' to the shore?
It's just impossible

If I had you
Could I ever want for more?
It's just impossible

And tomorrow
Shouldya ask me for the world
Somehow I'd get it
I would sell my very soul

And not regret it
For to live without your love
It's just impossible

Impossible, impossible
