I got the world on a string
Sittin' on a rainbow
Got a string around my finger
What a world, what a life
I'm in love

I got a song that I sing
I can make the rain go
Anytime I move my finger
Lucky me, can't you see?
I'm in love

Life is a beautiful thing
As long as I hold a string
I'd be a silly so and so
If I should ever let you go

I got the world on a string
Sittin' on the rainbow
Got a string around my finger
What a life, what a world
I'm in love

What a world, what a life
I'm in love

Lucky me, can't you see?
That I'm in love

Life is a beautiful thing
As long as I hold a string
I'd be a silly so and so
If I should ever let you go

Oh, I got the world on a string
Sittin' on the rainbow
Got a string around my finger
What a world, what a life
I'm really in love
