Let . . . me . . . call you baby tonight (Un ha! Un ha!)
Let . . . me . . . hold you 'till the mornin' light (Un ha! Un
ha!)
Let . . . me . . . call you baby tonight,
Oh I need you so much an' now that I have found you
I wanna feel my arms around you
Let . . . me . . . call you baby tonight!

Here I sit at a table all alone,
watchin' you the way I have, so many times before,
an' tonight, just like me, you're lonely too
an' the sadness that you're showin'
makes me want you even more!

So, won't you . . .

Let . . . me . . . call you baby tonight (Un ha! Un ha!)
Let . . . me . . . hold you 'till the mornin' light (Un ha! Un
ha!)
Let . . . me . . . call you baby tonight,
Oh I need you so much an' now that I have found you
I wanna feel my arms around you
Let . . . me . . . call you baby tonight!

Let . . . me . . . call you baby tonight (Un ha! Un ha!)
Let . . . me . . . hold you 'till the mornin' light (Un ha! Un
ha!)
Let . . . me . . . call you baby tonight . . . < to fade >
