Linda, Linda  
Morning noon an' night I find  
Linda's always on my mind

When I go to sleep  
I never count sheep  
I count all the charms about Linda

An' lately it seems  
In all of my dreams  
I walk with my arms about Linda

But what good does it do me  
For Linda doesn't know I exist  
Can't help feelin' gloomy  
Think of all the lovin' I've missed

We pass on the street  
My heart skips a beat  
I say to myself, hello Linda

If only she'd smile  
I'd stop for a while  
Then I would get to know Linda

But miracles still happen  
And when my lucky star begins to shine  
With one luck break I'll make Linda

Someday I'll betcha  
I'm gonna getcha  
Oh, Linda, Linda  
My Linda, Linda

We pass on the street  
My heart skips a beat  
I say to myself, hello Linda

If only she'd smile  
I'd stop for a while  
Then I would get to know Linda

But miracles still happen  
And when my lucky star begins to shine  
With one luck break I'll make Linda  
I'll make Linda mine
