Lovin' her was easier
Than anything I'll ever do again

I have seen the morning burning golden
On the mountain in the sky
Achin' with the feeling of the freedom
Of an eagle when she flies

Turning on the world the way she smiled
Upon my soul as I lay dyin'
Healing as the colors in the sunshine
And the shadows of her eyes

Waking in the morning to the feeling
Of her fingers on my skin
Wiping out the traces of the people
And the places that I've been

Teaching me that yesterday was something
That I never thought of tryin'
Talkin' of tomorrow and the money, love and time
We had to spend

Lovin' her was easier
Than anything I'll ever do again

Comin' close together with a feelin'
That I'd never known before, in my time
She ain't ashamed to be a woman
Or afraid to be a friend

I don't know the answer to the easy way
She opened every door in my mind
But dreamin' was as easy as believing
It was never gonna end

And lovin' her was easier
Than anything I'll ever do again

Hmm
