Marcheta, Marcheta
I still hear you callin' me back
To your arms once again

I still feel the spell
Of your last kiss upon me
Since then, life has all been in vain

All has been sadness
Without you Marcheta
Each day finds me lonely and blue

My poor heart is broken
I want you Marcheta
I need you Marcheta I do

All has been sadness
Without you Marcheta
Each day finds me lonely and blue

My poor heart is broken
I want you Marcheta
I need you Marcheta I do
