You're more than life to me  
More than eternity  
And the more I know of you  
All the more I love you

I need you more each day  
Much more than words can say  
More than forever more  
I'll be yours

The silver moon will fade too soon  
And bring the dawn when you'll be gone  
Before you go, please let me know  
That what you feel is really real

So do not grieve but I must leave  
Because I live only for  
Your love and mine  
More and more

You're more than life to me  
More than eternity  
And the more I know of you  
All the more I love you

I need you more each day  
Much more than words can say  
More than forever more  
I'll be yours

More and forever more  
I'll be yours
