If you admire coloring books and lots of people do
I've a new one for you, a most unusual coloring book
The kind you never see, crayons ready, crayons set
Begin to color me

These are the eyes that watched her
As she walked away, color them gray
This is the heart that thought
She would always be true, color it blue

These are the arms that held her and touched her
Then lost her somehow, color them empty now
This is the tie I wore, until you came in between
Color it green

This is the room I sleep in
And walk in and weep in
And hide in, that nobody sees
Color it lonely, please

This is the girl
That once I depended upon
Color her gone
