"My Melancholy Baby"

Come to me my melancholy baby
Cuddle up and don't be blue
All your fears are foolish fancy, maybe
You know dear that I'm in love with you

Every cloud must have a silver lining
Wait until the sun shines through
Smile my honey dear, while I kiss away each tear
Or else I shall be melancholy too

Every cloud must have a silver lining
Wait until the sun shines through
Smile my honey dear, while I kiss away each tear
Or else I shall be melancholy too
