Nothing's gonna harm you, not while I'm around
Nothing's gonna harm you, no sir, not while I'm around

Demons are prowling everywhere, nowadays
I'll send them howling, I don't care, I got ways

No one's gonna hurt you, no one's gonna dare
Others can desert you, not to worry, whistle, I'll be
there

Demons will charm you with a smile for a while
But in time nothin' can harm you, not while I'm around

Demons will charm you with a smile for a while
But in time nothing's gonna harm you, not while I'm
around

Not while I'm around
