Say it isn't so, say it isn't so
Everyone is sayin' you don't love me
Say it isn't so

Everywhere I go
Everyone I know
Whispers that you're growin' tired of me
Say it isn't so

People say that you
Found somebody new
And it won't be long before you leave me
Say it isn't true

Say that everything is still okay
That's all I want to know
And what they're sayin'
Say it isn't so

And it won't be long before you leave me
Say it isn't true

Say that everything is still okay
That's all I want to know
And what they're sayin'
Say it isn't so
