

Perry Como "Second Time"

It's the second time
I know I've seen you here before
It's no coincidence I'm sure
That once again my spirits soar
And the second time is always harder than the first
Forgetting lines that I rehearsed,
I fear the best, I fear the worst

Love is great, it has ambition
Unafraid makes no condition
When I say how much I love you
You'll feel I've known you
A thousand years . . .

< instrumental break >
And the second time is always harder than the first
Forgetting lines that I rehearsed,
I fear the best, I fear the worst

Love is great, it has ambition
Unafraid makes no condition
When I say how much I love you
You'll feel I've known you
A thousand years . . .

. . . a thousand years . . .
