Strange dear but true dear  
When I'm close to you dear  
The stars fill the sky  
So in love with you, am I

Even without you  
My arms fold about you  
You know, darling, why?  
So in love with you, am I

In love with the night mysterious  
The night when you first were there  
In love with my joy, delirious  
When I knew that you could care

So taunt me and hurt me  
Deceive me, desert me  
I'm yours 'till I die  
So in love, so in love  
So in love with you, my love, am I
