"Someone Who Cares"

Someone who cares
Someone who dares to love you
Someone who thinks enough of you
To always be willing to share

Someone who gives
Someone who lives inside you
Someone who'll be strong beside you
Through all the days that you live

I've made up my mind that you're gonna love me
I've made in my heart a soft place for you
Come, stay with me, dream with me
Sleep while the morning's new

Someone who dreams
Of being in your mind tomorrow
Sharing your joys and your sorrow
Helping you see what it means to be loved
