Something in the way she moves,
Attracts me like no other lover,
Something in the way she woos me . . .
I don't wanna leave her now,
You know I believe in how . . .
Don't wanna leave her now . . .

Somewhere in her smile she knows,
That I don't need no other lover,
Something in her style that shows me . . .
I don't wanna leave her now,
You know I believe in how . . .
Don't wanna leave her now . . .

You're asking me will my love grow,
I don't know, I don't know . . .
You stick around, now it may show,
I don't know, I don't know . . .

< instrumental bridge >

Something in the way she knows,
And all I have to do is think of her,
Something in the things she shows me . . .
I don't wanna leave her now,
You know I believe in how . . .
Don't wanna leave her now . . .

You're asking me will my love grow,
I don't know, I don't know . . .
You stick around, now it may show,
I don't know, I don't know . . .

Something in the way she moves,
Attracts me like no other lover,
Something in the way she woos me . . .
I don't want to leave her now,
You know I believe in how . . .
Don't wanna leave her now . . .
Don't wanna leave her now . . .
