Sunshine wine and dandelion gold
Your love is mine and there's peace in my soul
I own a castle in the air and every thing's fine, fine, fine
Life's beautiful, my cup is full of sunshine wine

Sunshine wine and diamonds of dew
Sweet dreams to find and a faith that'll come true
Bird's golden songs, the silver dawns
Are yours and they're mine, oh, yeah

Life's beautiful, my cup is full of sunshine wine
(Sunshine wine)
In the eyes of the world, what I own may seem small
In the eyes of my girl, I need nothing at all, nothing at
all

I've got sunshine wine
(Sunshine wine)
And dandelion gold
(Dandelion gold)

True love is mine
(True love is mine)
And there's peace in my soul
(Peace in my soul)

I own a castle in the air and every thing's fine, fine, fine
Life's beautiful, my cup is full of sunshine wine
(Sunshine wine)
Life's beautiful, my cup is full of sunshine wine
(Sunshine wine)

Life's beautiful, my cup is full of sunshine wine
(Sunshine wine)
Life's beautiful, my cup is full [unverified]
