Who? You, who? You  
Sweet, adorable you

Who is the one I couldn't do without  
And who is the one I always think about?  
In every little thing I do, nobody but you  
Sweet, adorable you, you, you, you

(Who)  
Sweet, adorable you

Where do I go, when I need company  
And who do I need to make things right for me?  
The one who makes my dreams come true, nobody but  
you  
Sweet, adorable you, you, you, you

(Who?)  
Sweet, adorable you

I'm such a lucky guy and that's the reason why  
I'll always be true  
There's not a minute of the day that can keep me away  
From the love of sweet little you

In every dream, you are the only one  
And in every dream, I always seem to run  
Until I'm standin' there with you, nobody but you  
Sweet, adorable you, you, you, you

(Who?)  
Sweet, adorable you

He's such a lucky guy and that's the reason why  
He'll always be true  
There's not a minute of the day that can keep me away  
From the love of sweet little you

In every dream, you are the only one  
And in every dream, I always seem to run  
Until I'm standin' there with you, nobody but you  
Sweet, adorable you, you, you, you

Sweet, adorable you  
(You, you, you, you, who?)  
Sweet, adorable you
