Goodnight all you angel band,
Lord! Let sleep fold through my hand,
I'm just like a kid again,
Like I used to be!

I haven't learned a single thing,
I'm back an' forth just like a swing,
I've got the same ol' song to sing,
Take a look at me!

I'm just somebody,
Goin' my way . . .

I know as much about tomorrow,
As I learned about today!

So, I'll go my merry way,
When there's nuthin' left to say,
Guess I'll just go out an' play,
Lord! Take a look at me!

[instrumental break]

I haven't closed a single door,
I'm just the way I was before,
I can fall in love once more,
Would you look at me?

Guess you could say that I'm a clown,
But I helped make the world go 'round,
By makin' my own peculiar sound,
Take a look at me!

I'm just somebody,
Goin' my way . . .

I know as much about tomorrow,
As I learned about today!

So, I'll go my merry way,
When there's nuthin' left to say,

Guess I'll just go out an' play,
Lord! Take a look at me!
