Thank heaven for little girls
For little girls get bigger every day!

Thank heaven for little girls
They grow up in the most delightful way!

Those little eyes so helpless and appealing
One day will flash and send you crashin' through the
ceilin'

Thank heaven for little girls
Thank heaven for them all
No matter where, no matter who
For without them, what would little boys do?

Thank heaven [unverified]
Thank heaven [unverified]
Thank heaven for little girls!
