I'm gonna buy you a big hat with feathers an' plumes  
I'm gonna buy you a mansion with sixty thousand  
rooms  
An' that ain't all . . . no that ain't all!

I'm gonna buy you powder, I'm gonna buy you paint  
Gonna fix you up an' make you look like somethin' you  
ain't  
An' that ain't all . . . no that ain't all!

I'm gonna buy you a fur piece, I'm gonna buy you  
gloves  
I'll buy you anything if you will give me all of your love  
An' that ain't all ( That ain't all! ) no that ain't all ( That  
ain't all! )

< instrumental break >

I'm gonna buy you a Rolls Royce, get you a chauffeur  
too  
But the chauffeur's gonna be a woman just like you  
An' that ain't all ( That ain't all! ) no that ain't all ( That  
ain't all! )

I'm gonna buy you dresses, 'till your wardrobe falls  
You're gonna die of old age before you wear them all  
An' that ain't all ( That ain't all! ) that ain't all ( That ain't  
all! )

< instrumental break >

If we're both a livin' in nineteen ninety-five  
they will have a pill by then to keep us both alive  
An' that ain't all ( That ain't all! ) that ain't all ( That ain't  
all! )

All these things I'll buy you, if you'll just wait for me  
'cause I'll be out of prison in nineteen eighty-three  
An' that is all ( And that is all! ) that is all ( And that is  
all! )

That is all ( And that is all! ) that is all!
