Sweet Adeline
(Sweet Adeline)
My Adeline
(My Adeline)

Gee, but I'd give the world to see
That old gang of mine
I can't forget that old quartet
That sang 'Sweet Adeline'
(Sweet Adeline)

Goodbye forever
Old fellas an' gals
Goodbye forever
Old sweethearts an' pals
God bless them

Gee, but I'd give the world to see
That old gang of mine

Goodbye forever
Old fellas an' gals
Goodbye forever
Old sweethearts an' pals
God bless them

Gee, but I'd give the world to see
That old gang of mine
