Yes, that's you
Every wonderful sensation
Yes, it's true
The touch of love in the night, that's you

A promise of laughter
That is you, that is you
Sun in the morning on a mountain
The green of a meadow in the soft summer dew
Oh yes, oh yes, that is you

You are the love song
Yes you are, yes you are
The silvery music of a fountain
The sensual whisper of a mellow guitar
Oh yes, oh yes, that is you

Yes, that's you
Every wonderful sensation
Yes, it's true
The touch of love in the night is you

The love of my lifetime, you will be, you will be
The lingering rainbow I will follow
The greatest adventure in the world for me
Oh yes, oh yes, you will be

Yes, that's you
Every wonderful sensation
Yes, it's true
The touch of love in the night, that's you

Yes, that's you
Every wonderful sensation
Yes, it's true
The touch of love in the night, that's you

Yes, that's you
Every wonderful sensation
Yes, it's true
The touch of love in the night, that's you [unverified]
