The days of wine and roses  
Laugh and run away like a child at play  
Through a meadowland, toward a closing door  
A door marked never more that wasn't there before

The lonely night discloses  
Just a passing breeze filled with memories  
Of the golden smile that introduced me to  
The days of wine and roses and you

The lonely night discloses  
Just a passing breeze filled with memories  
Of the golden smile that introduced me to  
The days of wine and roses and you
