There's a big blue cloud next to heaven  
where all wishes are stored  
old an' new . . .

And each day an angel from heaven  
looks them through,  
picks a few to come true . . .

There are wishes from a kiddies prayer  
from folks who are apart,  
wished from afar . . .

From a grandma in her rockin' chair  
and from a lover's heart,  
wished on a star . . .

There's a big blue cloud next to heaven  
where all wishes are stored  
old an' new . . .

So be patient, leave it to heaven  
and your wish will come true  
someday soon . . .
