There's a kind of a hush all over the world tonight  
All over the world you can hear the sound of lovers in  
love

You know what I mean?

Just the two of us with nobody else in sight

And I'm feelin' good just holdin' you tight

So listen very carefully, closer now and you will see

What I mean it isn't a dream

(See what I mean? I mean, it isn't a dream)

The only sound that you will hear is when I whisper in  
your ear

"I love you", forever and ever

(I love you)

There's a kind of a hush all over the world tonight

All over the world you can hear the sound of lovers in  
love

There's a kind of a hush

(Kind of a hush)

All over the world

(All over the world tonight)

All over the world

(You can hear the sound of lovers in love)

You know what I mean?

Just the two of us and nobody else in sight

(Two of us)

There's nobody else and I'm feelin' good just holdin'  
you tight

(Ever so tightly)

So listen very carefully, closer now and you will see

What I mean it isn't a dream

(See what I mean? I mean, it isn't a dream)

The only sound that you will hear is when I whisper in  
your ear

"I love you", forever and ever

There's a kind of a hush

(Kind of a hush)

All over the world  
(A hush all over the world tonight)  
All over the world you can hear the sound of lovers in  
love  
(I love you)

You know what I mean?  
(I love you)  
It isn't a dream  
(I love you)  
You know what I mean?  
(La, la la la)  
I love you
