Beautiful girls, walk a little slower
When you walk by me
Lingering sunsets, stay a little longer
With the lonely sea

Children everywhere
When you shoot at bad men, shoot at me
Take me to that strange enchanted land
Grown-ups seldom understand

Wandering rainbow, leave a bit of color
For my heart to own
Stars in the sky, make my wish come true
Before the night has flown

And let the music play
As long as there's a song to sing
And I will stay younger than spring

Wandering rainbow, leave a bit of color
For my heart to own
Stars in the sky, make my wish come true
Before the night has flown

And let the music play
As long as there's a song to sing
And I will stay younger, in every way younger
Yes, I will stay younger than the spring
