< instrumental opening >

They try to tell us we're too young,  
Too young to really be in love,  
They say that love's a word,  
A word we've only heard,  
But can't begin to know the meaning of!

And yet, we're not too young to know,  
This love will last though years may go . . .  
And then, someday they may recall,  
That we were not too young at all!  
< instrumental verse >

And yet, we're not too young to know,  
This love will last though years may go . . .  
And then, someday they may recall,  
We were not too young at all!

Music by Sydney Lippman and lyrics by Sylvia Dee,  
1951  
Arranged by O.B. Masingill
