Why am I alone?  
Why am I alone,  
Traveling down a lonely road?

Darling, can't you see?  
I don't wanna be,  
Traveling down a lonely road.

If you would open up your heart  
And let my love come shining through,  
You'd know how much  
I wanna walk the road with you . . .

Won't you understand?  
Won't you take my hand?  
It's been such a lonely road . . .

< Chorus Italian lyrics >  
If you would open up your heart  
And let my love come shining through,  
You'd know how much  
I wanna walk the road with you . . .

Won't you understand?  
Won't you take my hand?  
It's been such a lonely road . . .

Such a lonely road . . .
