We've only just begun to live
White lace an' promises
A kiss for luck
An' we're on our way

We've only just begun

Before the rising sun, we fly
So many roads to choose
We start out walkin' an' learn to run
An' yes, we've just begun

Sharin' horizons that are new to us
Watchin' the signs along the way
Talkin' it over, just the two of us
Workin' together day to day

Together
(Together)

An' when the evening comes, we smile
So much of life ahead
We'll find a place where there's room to grow
We've only just begun
(Just begun)
We've only just begun
(We've only just begun)

Sharin' horizons that are new to us
Watchin' the signs along the way
Talkin' it over, just the two of us
Workin' together day to day

Together
(Together)

An' when the evening comes, we smile
So much of life ahead
We'll find a place where there's room to grow
We've only just begun
(Just begun)
We've only just begun

(We've only just begun)

We've only just begun
