"When I Fall In Love"

When I fall in love
It will be forever
Or I'll never fall in love

In an restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart
It will be completely
Or I'll never give my heart

And the moment I can feel that
You feel that way too
Is when I fall in love with you

Or I'll never give my heart

And the moment I can feel that
You feel that way too
Is when I fall in love with you
