"When You Come To The End Of The Day"

When you come to the end of the day
And the night calls your worries away
Do you ever watch the setting sun
And dream of things that you might have done?

Do you turn from your work with a smile?
Do you feel that it's all worth the while?
As you dream the twilight hours away
When you come to the end of the day

Do you turn from your work with a smile?
Do you feel that it's all worth the while?
As you dream the twilight hours away
When you come to the end of the day
