It must have been cold there in my shadow  
To never have sunlight on your face  
You've been content to let me shine  
You always walked a step behind.

I was the one with, with all the glory  
While you were the one with all the strength  
Only a face without a name  
I never once heard you complain.

Did you ever know that you're my hero?  
And everything I would like to be?  
I can fly higher than an eagle  
'with you as the wind beneath my wings!

It might have appeared to go unnoticed  
But I've got it all here, rite here in my heart  
I want you to know I know the truth  
I would be nothin' without you!

Did you ever know that you're my hero?  
And everything I would like to be?  
I can fly higher than an eagle  
'Cause you are the wind beneath my wings!

You are the wind beneath my wings!
