Sing to me, mr. c., sing to me
The song that Iâ've been waiting to hear,
Just for me, mr. c., just for me,
And everybody else will disappear . . .
You alone, you alone,
Are the dream I have known,
Bringing love to my lonely heart!
Now thereâ's heaven in view,
Now the dream has come true,
For tonight I have you alone!
Now that your eyes have told me,
You are my love my own,
Come to my arms and hold me,
I live for you alone!
Solo tu, solo tu . . . [italian]
Now thereâ's heaven in view,
Now the dream has come true,
For tonight I have you alone!
Iâ'm gonna sit right down
Anâ' write myself a letter
And make believe it came from you!
Iâ'm gonna write words so sweet
Theyâ're gonna knock me off my feet
A lot of kisses on the bottom
Iâ'll be glad I got them
Iâ'm gonna smile and say I hope youâ're feelinâ' better
And close with love the way you do
Iâ'm gonna sit right down anâ' write myself a letter
And make believe it came from you!
< instrumental break >
Iâ'm gonna sit right down
Anâ' write myself a letter
And make believe it came . . . from you!
There could never be a portrait of my love
For nobody could paint a dream!
You will never see a portrait of my love
For miracles are never seen!
Anyone who sees her,
Soon forgets the mona lisa!
It would take I know, a michael angelo,
And he would need the glow of dawn
That paints the sky above
To try anâ' paint a portrait of my love!
< instrumental break > . . . yes, he would need the glow of dawn
That paints the sky above
To try anâ' paint a portrait of my love!
