Sing to me, Mr. C., sing to me  
the song that I've been waiting to hear,  
just for me, Mr. C., just for me,  
and everybody else will disappear . . .

You alone, you alone,  
are the dream I have known,  
bringing love to my lonely heart!

Now there's heaven in view,  
Now the dream has come true,  
For tonight I have you alone!

Now that your eyes have told me,  
You are my love my own,  
Come to my arms and hold me,  
I live for you alone!  
Solo tu, solo tu . . .

[ Italian ]

Now there's heaven in view,  
Now the dream has come true,  
For tonight I have you alone!

I'm gonna sit right down  
an' write myself a letter  
and make believe it came from you!

I'm gonna write words so sweet  
they're gonna knock me off my feet  
a lot of kisses on the bottom  
I'll be glad I got them

I'm gonna smile and say "I hope you're feelin' better"  
and close with love the way you do  
I'm gonna sit right down an' write myself a letter  
and make believe it came from you!

< instrumental break >

I'm gonna sit right down  
an' write myself a letter  
and make believe it came  
. . . from you!

There could never be a portrait of my love  
for nobody could paint a dream!  
You will never see a portrait of my love  
for miracles are never seen!

Anyone who sees her,  
soon forgets the Mona Lisa!  
It would take I know, a Michael Angelo,  
and he would need the glow of dawn  
that paints the sky above  
to try an' paint a portrait of my love!

< instrumental break >

. . . yes, he would need the glow of dawn  
that paints the sky above  
to try an' paint a portrait of my love!
