You alone, you alone,  
are the dream I have known,  
bringing love to my lonely heart!

Now there's heaven in view,  
Now the dream has come true,  
For tonight I have you alone!

Now that your eyes have told me,  
You are my love my own,  
Come to my arms and hold me,  
I live for you alone!  
Solo tu, solo tu . . .

[ Italian ]  
You alone, you alone,  
Are the dream I have known,  
Bringing love to my lonely heart!

Now there's heaven in view,  
Now the dream has come true,  
For tonight I have you alone!

Music by Robert Allen and Lyrics by Al Stillman  
With Hugo Winterhalter and His Orchestra and Chorus
