So many nights I'd sit by my window  
Waiting for someone to sing me his song  
So many dreams, I kept deep inside me  
Alone in the dark but now you've come along

And you light up my life  
You give me hope to carry on  
You light up my days  
And fill my nights with song

Rollin' at sea, adrift on the waters  
Could it be finally, I'm turning for home  
Finally a chance to say, "Hey, I love you"  
Never again to be all alone

And you light up my life  
You give me hope to carry on  
You light up my days  
And fill my nights with song

You, you light up my life  
You give me hope to carry on  
You light up my days  
And fill my nights with song

It can't be wrong, when it feels so right  
'Cause you, you light up my life
