You made me love you
I didn't wanna to do it, I didn't wanna do it
You made me want you and all the time you knew it

I guess, you always knew it
You made me happy sometimes, you made me glad
But there were times, dear, you made me feel so bad

You made me sigh for
I didn't wanna tell you, didn't wanna tell you
I want some love that's true, yes I do

Deed I do, you know, I do
Gimme, gimme me what I cry for

You made me happy, sometimes you made me glad
You know, you got the brand of kisses that I die for
You know, you made me love you
