You're followin' me wherever I go
You'll always be there so, what do I care?
You're followin' me

When I've got the time, I'll slip you a kiss
I'll keep you around, you'll always be found
You're followin' me

That's what I thought
That's what I said, right along
But now it appears with time an' tears
Have proved that I was wrong

You're followin' me but not like before
Tho' we're far apart, you're stealin' my heart
You're followin' me

Come back, baby, I'll treat you right this time
Come back, baby, I promise to change all my ways

You're followin' me but not like before
Tho' we're far apart, you're stealin' my heart
You're followin' me, you're followin' me
You're followin' me

Come back, baby, I'll treat you right this time
Come back, baby, I promise to change all my ways

You're followin' me but not like before
Tho' we're far apart, you're stealin' my heart
You're followin' me, you're followin' me
You're followin' me, yeah
