What kind of love is this

That leaves me feeling cold

You look right through me

What you see nobody knows

You're in a world all by yourself

Needing no one else

Feelin' so secure

You're on the road to nowhere

Left your past behind

What's to become of me

Should feelin's be denied

Another time, another place

Would I be the same old face

For you to have around

There's no way in, there's no way out

I'm caught in the middle

Why must you leave my heart in dou-ou-ou-oubt, oh-oh-oh

We have a one way love that flows from me to you-ou-ou

There's nothin' more for me to lose

We're through with talking now

We know that it's the end  
We've played our foolish games  
It's useless to pretend  
It seems like only yesterday-ay  
That love had come to stay  
How could we be so blind  
There's no way in, there's no way out  
I'm caught in the middle  
Why must you leave my heart in dou-ou-ou-oubt, oh-oh-oh  
We have a one way love that flows from me to you  
There's nothin' more for me to lose  
I don't know where your heart is  
Or what's inside your head  
If this is love you said it  
If this is love forget it  
If this is love then count me ou-ou-ou-ou-ou-ou-out  
Count me ou-ou-ou-ou-ou-ou-out  
Count me ou-ou-ou-ou-ou-ou-out  
Count me ou-ou-ou-ou-ou-ou-out  
Count me ou-ou-ou-ou-ou-ou-out  
Count me ou-ou-ou-ou-ou-ou-out [fade]
