I have my addiction, you say affliction  
I say a small affair  
It has become a habit  
I can't break and I can't have it  
Nothin' to compare

He gives me goose bumps, heart thumps  
He makes my body jump, I rack my brain and tear my  
hair  
He gives me heartbreak, guts aches  
I shiver and I shake, I really need intensive care  
He has a cardiac arrestin' stare

Doctor I'm in trouble, seein' faint, feelin' double  
I'm shortin' out of breath  
Call up the pharmacy  
Send a little help to me  
I'm bein' loved, I'm bein' loved to death

He gives me goose bumps, heart thumps  
He makes my body jump, I rack my brain and tear my  
hair  
He gives me heartbreak, guts ache  
I shiver and I shake, I really need intensive care  
He has a cardiac arrestin' stare

He gives me goose bumps, heart thumps  
He makes my body jump, I rack my brain and tear my  
hair  
He gives me heartbreak, guts ache  
I shiver and I shake, I really need intensive care  
He has a cardiac arrestin' stare

Goose bumps, heart thumps  
He'll make my body jump, I rack by brain and tear my  
hair  
He gives me heartbreak, guts ache  
I shiver and I shake, I really need intensive care  
He has a cardiac arrestin' stare

Goose bumps, heart thumps  
He'll make my body jump, I rack my brain and tear my

hair  
He gives me heartbreak, guts ache  
I shiver and I shake, I really need intensive care  
He has a cardiac arrestin' stare

Goose bumps, heart thumps  
He'll make my body jump, I rack my brain and tear my  
hair [fade]
